

## Saw Operator

### ABOUT THE JOB

Marid Industries Limited is seeking a detail-oriented and energetic saw operator to join our team! This is an exciting full-time opportunity for an individual to join our growing team on day and night shift. As part of the production team, you will be responsible to cut steel in required measurements of length and width, in accordance to instruction and/or documentation (drawings).

### KEY RESPONSIBILITIES

- Utilizes saw machine to cut steel and stack piles of finished product
- Unload steel from the transferable table to floor area
- Stack items in detail room ensuring that detail is marked and piled in sections for specific jobs.
- Sends unused steel to short rack or back into yard
- Marks cut pieces with appropriate piece mark using tool determined by finish and/or end use

### SKILLS, QUALIFICATIONS & EXPERIENCE

- Some industry related experience using a saw in a hazardous working environment an asset.
- Ability to read, analyze and interpret technical documents such as drawings and specifications
- Previous experience in a related position relative to the steel industry is considered an asset.
- Forklift, crane training is considered an asset
- Safety training is an asset but employer will train.

### JOIN OUR TEAM!

In addition to offering a dynamic and inclusive work environment, we offer a competitive compensation package, including benefits. If you feel you could be a great fit to join our team, kindly forward your cover letter and resume to [wbianchi@marid.ca](mailto:wbianchi@marid.ca) with the heading "Saw Operator" in the subject line of your email. This job posting closes on July 14, 2023.

Individual accommodations are available upon request for candidates taking part in all aspects of the selection process.

### ABOUT MARID

Marid Industries is a privately owned custom manufacturing business based in Windsor Junction, just outside of Metro Halifax. Marid is a full-service contractor unlike many companies in the structural steel business. Marid is a fabricator as well as a construction company with ample engineering capabilities.

Flexibility is a key Marid quality. No matter what the finished product-a simple utilitarian warehouses, a modern school, or a complex finished public space - the required skill sets are available with the Marid Industries organization.

We are committed to supporting and challenging our employees to be the most capable, competent and well trained in the industry. [www.marid.ca](http://www.marid.ca)

*We thank all interested parties; however, only those applicants under consideration will be contacted*
